LICENSURE, CERTIFICATIONS & TRAINING

California Registered Nurse | BLS | ACLS | NIHSS | CPI Training
ECG/EKG Dysrhythmia Interpretation | Medical Spanish for Hospital Nurses

PROFESSIONAL EXPERIENCE

Registered Nurse | Fremont Hospital – Behavioral Health

Fremont, CA | Jul 2026–Present

- Manage care for adults with acute psychiatric needs at a 1 nurse-to-patient ratio, prioritizing care and coordinating with the interdisciplinary team.
- Assess physical and mental status, identify changes from baseline, and escalate concerns to providers.
- Administer medications, monitor response and adverse effects, and educate patients on treatment and precautions.
- Apply CPI training and therapeutic communication to de-escalate distress and support patient safety.
- Document admissions, discharges, and clinical progress; recommend improvements to charting workflows.

Product Manager | Activate Care

Boston, MA | 2019–2023

- Integrated SDOH care-coordination tools into EHR workflows and trained 100+ clinicians on adoption.
- Translated clinical needs into product requirements and used utilization and outcome data to guide improvements.

STUDENT CLINICAL EXPERIENCE

Adult Medical-Surgical Preceptorship | Barnes-Jewish Hospital

St. Louis, MO | Magnet-designated hospital | 2025 | 96 hours

- Provided supervised care for 4–6 patients per shift across telemetry, postoperative recovery, and chronic disease management.
- Performed wound care, NG/PEG tube management, PICC care, and Foley catheterization; supported discharge and medication education.

Pediatric Emergency Preceptorship | St. Louis Children's Hospital

St. Louis, MO | Magnet-designated hospital | 2025 | 96 hours

- Provided supervised care for acute medical, behavioral health, and trauma presentations, including assessments, IV therapy, phlebotomy, medication administration, and family education.
